CIOCCOLATO

Category: Pastry, honey, chocolate, jam
business description: Opened in October 2012 on the city's most "Parisian" street, it's well worth a visit. Owner Laura Ghibaudi will tempt you with the most delicious (and famous!) products from the Giraudi chocolate shop and pastry shop in Castellazzo Bormida (AL), from macarons to chocolates, to the legendary Giacometta, one of the first artisanal spreads to make a splash.
