Ristorante La Prosciutteria

Category: Restaurants and taverns
business description: Revisited traditional Italian cuisine, a selection of Italian wines, and high-quality regional products. This modern, family-friendly restaurant offers a casual atmosphere, where you can enjoy delicious San Daniele prosciutto and other cured meats, carefully selected from the region, paired with an excellent glass of wine. For those who prefer more than just cured meats, a small menu has been created with delicious first and second courses to satisfy all tastes. Hot and cold vegetarian dishes are also available, made with seasonal ingredients.
